THE AGE OF DR.

Under the above heading State Journal very truthfully that the world is all sickness is purely a matter of clothes. We are made to it, whether the attack was the great thing about a cold or severe illness; the clothes. But there is far more cannot repulse disease. In three days it is why chronic weakness often and will be less.
can strength to millions of people has proven the real need Scott's Emulsion after anything equals it—nothing it. Its pure, medicinal, free from alcohol or opiates, sties rich blood, strengthens lungs to avert tuberculosis.

A. L. Moore, and was kind, loving and liked by all. Mr. Bingham comes very highly recommended as a sober, industrious, of up-right character. May their sea of matrimony be smooth and their pathway be strewn with flowers is the wish of their many friends.

On Friday, July 31st, Mr. Lindsey Thompson and Miss Dona Thompson, both of Noris, surprised their many friends by quietly going to Louisa and getting married. Rev. H. B. Hewlett officiating. Mr. Thompson is the son of Heck Thompson, and Mrs. Thompson is the daughter of L. T. Thompson. Both are of good character, and their many friends wish them success and a happy life.

Mrs. Nannie Back and niece were visiting friends at Prosperity Saturday and Sunday.
Several from here attended church at Noris last week, conducted by Rev. Frank Miller and Rev. A. H. Miller.
The NEWS is certainly a welcome visitor in our home. We are always anxious for it to arrive.

SOMEONE'S SWEETHEART.

Constipation Causes Sickness.
Don't permit yourself to become constipated, as your system immediately begins to absorb poison from the backed-up waste matter. Use Dr. King's New Life Pills and keep well. There is no better safeguard against illness. Just take one dose to-night. 25c at your Druggist.

Summer Constipation Dangerous.

Constipation in summer time is more dangerous than in the fall, winter or spring. The food you eat is often contaminated and is more likely to ferment in your stomach. Then you are apt to drink much cold water during the hot weather, thus injuring your stomach. Colic, Fever, Ptoimaine Poisoning and other ills are natural results. Po-Do-Lax will keep you well, as it increases the bile, the natural laxative, which aids the bowels of the congested poisonous waste. Pleasant and effective. Take a dose to-night. 50c at your Druggist.

HELLIER.

Tuesday, July 28th, was the Sunday School Convention at Elkhorn City. There were several good speakers from Pikeville including Rev. Rowe, J. E. Childers and others. Those from the Heller Sunday School were Mrs. M. A. Lenton, Miss Irma Ryan and the writer of this. Mr. Riddle and Miss Maynard, who are teaching the Elkhorn City school, brought their students to the convention. Some good talks were made, and plans were discussed in the interest of the Sunday Schools.
Rev. Rowe, of Pikeville, was here Saturday evening, Sunday and Sunday evening. He lectured on the Sabbath School: told the people what the Sabbath School meant to a community; told the people what a wrong the parents were doing when they neglected sending their children to Sunday School.
He also lectured on whiskey. He told what whiskey was doing for this country. He gave a few statistics on whiskey, what we were out for the arrest, conviction and keeping of moonshiners and bootleggers for which the Government receives no revenue. The average number of moonshiners, bootleggers, etc., arrested and convicted in Pike county each year is about eighty, and according to Rev. Rowe's statistics, this number costs the Government over \$20,000 for which they do not receive one cent revenue.
Rev. Rowe's talks were very interesting and were admired by all. We believe that those who were present to hear Rev. Rowe were the most attentive of any audience that ever sat under the voice of preacher at Heller.

Mrs. J. H. Long, of Cochran, Ind., and Mrs. M. A. Downs, of Paducah, Ky., who represent the C. P. Co., of New York City, were here last week. We were certainly pleased to welcome Mrs. Long into our Sunday School last Sunday, and also to our church. Mrs. Long's chief purpose on the road is to get out among the churches, and to see what the world is doing and to do all the good she can for God. We sincerely believe if we had a few such workers in our church as Mrs. Long we would soon increase our membership about fifty per cent. May God bless

such people.
Dr. Chester Tyree, dentist, of Hazard, Ky., is here for a few days.
Perry Anderson, formerly in the firm of Anderson & Wood, of this place, has sold his interest in the firm to Mr. Wood and has moved to Clintwood, Va., where he will go into business. We are sorry to report the departure of Mr. Anderson but we hope that he will like his new location, and that he may have a good success. Our loss is Clintwood's gain.

Tuesday, July 28th, a party went from here to the "Breaker" of Big Sandy. The party consisted of Mrs. M. A. Lenton, of Lookout, Ky., Miss Irma Ryan, of Loupsville, and G. C. Ratliff, of this place. The party walked from Elkhorn City to what is known as the Tower Tunnel, which is about seven miles from Elkhorn City. Although they stayed overnight in what is known as the "Potter Flat" about three miles from Elkhorn City. They walked through two tunnels, one being 1778 feet long, the other one about half that distance. It is a wonderful experience to walk along this road and look upon the beautiful towers extending many hundred feet into the air. There are many places where you can look down upon the river many feet below, and it is so nearly vertical that you could drop a stone and it would almost drop into the river. You can also look up and can see nothing but great towers extending many hundreds of feet high. There is nothing to wonder at why a railroad has not been built through there before now, if you will only go through once. It is estimated that this road when completed will have cost between \$5,000,000 and \$10,000,000 from Elkhorn City to Dante, Va., a distance of forty-one miles. This road is in rapid progress, and will be completed within a few weeks. This will be a great benefit to the people of Eastern Kentucky.

There was a birthday party given at the home of Mr. and Mrs. R. H. Lyons Friday evening, July 31st, from 7:00 to 10:30 p. m. in honor of Miss Lenna. There were many present at the party, including Miss Virgie Adams, of Pikeville. Good piano and violin music was furnished and all enjoyed the evening.

OBITUARY.

In sad but loving memory of Martha Kirkendall, who fell asleep in Jesus June 3rd, 1914.
Two months have passed our hearts still sore,
As time goes on we miss her more.
Her cheerful voice, her welcome face,
No one can take dear Martha's place.
A precious one from us is gone,
Friends may think the wound is healed,
But little do they know the sorrow
That lies within our hearts concealed.

Infection and Insect Bites Dangerous.

Mosquitoes, flies and other insects, which breed quickly in garbage pails, ponds of stagnant water, barns, musty places, etc., are carriers of disease. Every time they bite you, they inject poison into your system from which some dread disease may result. Get a bottle of Sloan's Liniment. It is antiseptic and a few drops will neutralize the infection caused by insect bites or rusty nails. Sloan's Liniment disinfects Cuts, Bruises and Sores. You cannot afford to be without it in your home. Money back if not satisfied. Only 25c at your Druggist.

HANNAH.

Death visited the home of "Uncle William" Salyer on the night of the 24th ult., and called him away from this land of sorrow and woe, and took his soul to a land where there shall be no more dreadful pains to bear. He is safe in the Beulah Land today and is safe in the arms of Jesus.
He had been sick for several months and during that time his poor body was hardly free from pain, but now the soldier's last tattoo has sounded and the last charge has been given. There is a place vacant in the old home that cannot be filled. Our hearts are heavy with sorrow but we have a consolation we know that he is safe and far better off than us.
To the many friends and relatives who were so kind through his sickness and death we extend our sincere thanks. William Salyer was born at Flat Gap, Ky., in Johnson county, in 1839. At his death he was 75 years, 11 months and 22 days of age. He enlisted in Co. D, 14th regiment volunteers of Kentucky. He served three years in the army and was honorably discharged in January 1865.
Dear departed one how we miss your kind voice and sweet smile, but we will try to be reconciled and prepare to meet you where parting is no more.
